

Makehope

(School) Fundraising Program

Our Makehope fundraising programs are a fresh way for your school, team or organization to raise money and spirit at the same time! Have everyone in your school or town buy a photo button of their favorite player or group member to wear at games or special events.

It adds up quick! And there is no selling, up front or delivering products. Simply send them to your Makehope Team Gallery on our web site: www.buttonsofhope.com.

In three easy steps, we can get you started:

- 1 Fill out the simple *School Application* (Pg. 3). Choose the amount of money (donation) for each Button and Button Stix.
 - 2 Take digital headshot photographs of your team/ group – send the application and photos to us and we will post them in your School's own "Makehope photo gallery".
 - 3 Talk it up! Announce it at the game, put it in the program -- parents, grandparents, friends and fans go to BOH.com, look for their favorite player's picture & make a custom button. No minimums -- make one if you like!
- 3½ Individuals buy buttons and we ship direct to them. We keep track of the donations and send your school a check for the proceeds!
