## (Team & Special) Fundraising Programs

Our Makehope fundraising programs are a fresh way to honor, memorialize or support a friend or loved one. Whether you're a part of a team doing a walkathon or a neighbor helping a neighbor, we can help you raise hope and money at the same time!

We make it easy to get the word out so people can go to **buttonsofhope.com** and purchase the custom photo button you created!

### In three easy steps, we can get you started:

- 1 Fill out the simple *Team/Special Application* (Pg. 3). Choose the amount of money (donation) for each Button and Button Stix.
- 2 Upload a photo to your own "Makehope photo gallery".
- 3 You send people to the site to buy copies of the button you created!
  - 3.5 Awareness spreads and money is raised for your good cause.

*You create  
a button, it tells  
a story, a good  
cause is served!*
